Subject: RE: Inspection reports

Hi Scott and Bob –

See attached. I realized that for some reason we forgot to include the inspection date in the list of items on the first page of the report (it's just embedded in the data tables, instead). For consistency with our other inspection reports, I'd add it as the first item on the report right above Inspection Report Date.

Bob – let Joe or I know if you have any questions.

Thanks,

Sara

Could one of you please send me and Bob an electronic copy of one of your recent inspection reports for OOOO? I want to share with Bob so we can have consistent formatting for all reports.

Thanks,
Scott
